## **NFDA Offers Support to ISA Efforts for Relief in Haitian Earthquake Relief**

The Industrial Supply Association (ISA) is coordinating an industry wide response to the relief effort in Haiti, and has reached out to NFDA and its membership for contributions that will aid in the re-building of the country. The effort is focused on obtaining anything that would assist in the re-building effort and includes everything from Industrial supplies, fasteners, electrical equipment, hammers, and shovels along with many other needed goods

If you have any interest in participating in this effort, please read follow the attached link for more information
