The Wellness Lounge:

Mind Sync Chairs – Scientifically composed music synchronizes the brain's left and right hemisphere gently lowering brain activity to the calmer Alpha, Theta and Delta states. One session can induce profound levels of relaxation, restoration and sleep.

Zero Gravity Wave Loungers- Optimal for the circulatory system and eases back strain.

Ceragem Massaging Chairs – This heat optional massaging chair is perfect for the care of your neck, back, hips, thighs and even your abdominal circulation. Equipped with six automatic modes to suit your needs and conditions.

*Pricing in current year subject to annual change.
